Introduction

The Hasten Hebrew Academy of Indianapolis provides tuition assistance to families in pursuit of Jewish education for their children through a Jewish day school experience.

Tuition assistance represents one of the many ways the Hasten Hebrew Academy fulfills its mission of maintaining and strengthening Jewish life in Indianapolis. Tuition assistance is funded from the generosity of donors to the school, through fundraising efforts of volunteers, subsidies from the Jewish Federation of Greater Indianapolis and The Hasten Hebrew Academy Foundation.

The following application is The Hasten Hebrew Academy's basis for making a decision regarding your tuition assistance request.

We request that you complete the application ending with your signature verifying the information.

Please return the completed Tuition Adjustment Application and a copy of your 2020 tax return to the Hasten Hebrew Academy by May 1, 2021. Tuition assistance applications are reviewed by the tuition assistance committee. All application forms and information are held in the strictest confidence. The Hasten Hebrew Academy feels strongly that the success of its tuition assistance program depends heavily on the confidentiality of financial information.

NOTE: All tuition adjustments are reviewed periodically throughout the year. Adjustments in the amount of assistance awarded may be made based upon changes in a recipient's financial circumstances.

Applications for financial aid will not be considered if not accompanied with acceptable income verification (2020 Federal Tax Return, 2020 W-2, last 3 months paystubs, or letter from employer). Please note that all families of children in grades Kindergarten and up who meet the income requirements must be willing to complete the Institute for Quality Education application and the application for school vouchers before this school scholarship application will be considered.
