

Indiana Choice Scholarship Expansion

We're excited to announce that the state of Indiana has changed eligibility for the School Choice Program making scholarship funds accessible to more families than ever before! Nearly 97% of Indiana families now qualify!

HHAH is proud to offer the Choice Scholarship Program to current and prospective families as a way to offset the expense of a high quality private school education that features:

- ◆ Small class sizes
- ◆ Personalized learning for each child
- ◆ An environment with values that align with those of your family

If you have already submitted financial aid paperwork, your application will be automatically reviewed for Choice Scholarship eligibility.

See the chart below. If you are eligible and would like more information on how to apply, please contact Toni Scott (tscott@hhai.org or 317-251-1261) by July 17th.
